The commencement document is the first document or Main document. There can be only one.

<>There can be as many accompanying documents as you need to , in support of your commencement document.

<>SELECT THE title of your COMMENCEMENT DOCUMENT FROM THE DROP-DOWN menu. In this case we are filing a Summons and Complaint. Note that a summons and complaint should be filed as ONE pdf.

Which OPENS TO A NEW WINDOW WHERE YOU WILL NEED TO LOCATE YOUR SAVED PDF Document. DOUBLE CLICK OR CLICK OPEN to link to that document.

<> To the right of the FILE NAME THERE ARE TWO YES NO BOXES, Secure and Contains SSN.

Answer "Yes" to Secure if the document you intend to file contains: individually identifiable health information; a social security number (where inclusion of such a number is permitted by General Business Law § 399-dd(6)); a credit card or bank account number; an individual's date of birth or home address; a minor child's name; or trade secrets. The document will then be marked "Secure" in NYSCEF. Access to Secure documents via NYSCEF is restricted only to consenting parties, counsel, the County Clerk, and the court. However, the public may view a Secure document via public access computers located inside the courthouse where the matter is pending (unless the document is sealed pursuant to Part 216 of the Uniform Rules for the Trial Courts).

Answer Yes to “DOCUMENT CONTAINS SSN” If your Document contains a SSN. Note that General Business Law § 399-dd(6) prohibits the filing of any document available for public inspection that contains the social security number of any other person, unless: that other

person is a dependent child or has consented to the filing; or the social security number is required by court rule. By answering "Yes," you are notifying the court and the County Clerk that the document you intend to file contains an individual's social security number.

DOCUMENT DESCRIPTION FIELD :

Not all documents require a description beyond the "Document Type" selected from the drop-down menu. However, you may use up to 255 characters in this space to provide any description you feel is necessary or helpful for present or future reference. For example, you might find it useful to describe an "Affidavit" as "Affidavit of John Smith in support of plaintiff's summary judgment motion."

Special instructions

Use this space to direct the document to a specific chambers, office, or clerk. For example, when filing a "Stipulation Adjourning Motion" with respect to a motion that is returnable in a particular Part, you might enter the Part number or the Justice's name into this field. **ADDITIONAL INFORMATION ON WHAT TO ENTER HERE WILL BE PROVIDED IN THE WHATS THIS AREA OF THE SCREEN.**

<<<<>>>>

DOCUMENTS 2 AND beyond, ARE FOR ACCOMPANYING DOCUMENTS:

use the same process to attach documents and annotate, with the following two exceptions :

1> **where a document is an exhibit**, you will be required to enter the exhibit number in the appropriate filed. Simply a letter or number is needed

2> In the area to the right, that reads, "**Attach to Commencement Document***

If you check this box, this document will be treated as a sub-document to the commencement document.

In this example, the summons and complaint will be designated as Document # 1 and the accompanying document (exhibit) will be designated as Document # 1-1.

If you do not check this box, the exhibit will be designated as Document # 2.
